

February 8, 2005

Hello,

For those of you that do not know me, please allow me to briefly introduce myself. My name is Richard (Dick) Rennick, CEO and Founder of American Leak Detection, Inc. located in Palm Springs, California. Over the years, my passion has been to bring to the public at large the opportunities franchising offers. In early March of this year, I will become Chairman of the International Franchise Association (IFA)...well that is enough of that, now the reason for this letter to you.

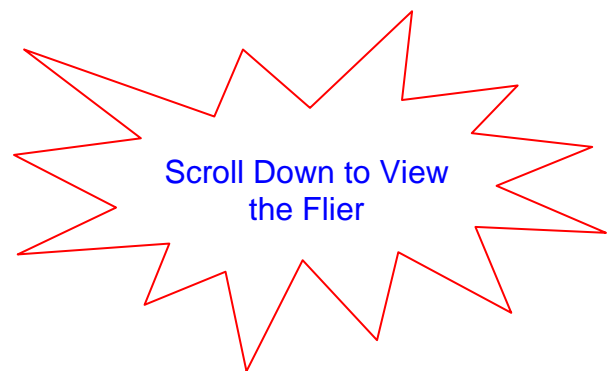

I am helping to orchestrate an Entrepreneurs Forum to be held at the City of Ontario, California's Convention Center on Wednesday the 27th of April beginning at 5:00 p.m. and concluding at 9:00 p.m. I have attached for your review a flier which will give you a little more information on this Forum.

Our theme for this years Forum is **"FRANCHISING – SHARING THE VISION."** We are offering to you and your company an opportunity to exhibit at this event "FREE OF CHARGE." I believe the attached flier will give you most of the information you need to make a choice to join us in sharing the vision to an audience hopefully in excess of 400 Southern Californian participants. If interested, we are also accepting sponsorships to this worthy event beginning at \$500.00 and moving upwards in 500.00 increments, call me for sponsorship details.

Finally, this event is being co-sponsored not only by the IFA, but Estrada Strategies a federal not for profit 501-C3 Foundation. I/we hope you decide to join us at this event and help us Share the Vision. **We ask that you respond by Wednesday the 16th of February, 2005 if you would like to participate in this great local event.**

Thanking you in advance for your consideration,

Richard B. Rennick CFE
